**MR. CHANCE ENTERTAINS**

Gave a Splendid Barbecue Dinner on His Plantation in the Brazos Bottom.

Mr. James O. Chance gave a barbecue on his plantation in the bottom today, to which a number of his friends in this city, in the bottom, and some few from Caldwell were invited. The invitations were accepted with much pleasure, for they well knew the good things in store for them, having enjoyed Mr. Chance's hospitality on former occasions.

A splendid dinner was served, the chief feature of the menu being barbecued meats of all kinds. The very choicest animals were selected, the cooking done by experts, and the result was that the finished product made a dinner fit for the gods. All the other accessories for a barbecue dinner were served in abundance, and the repast was enjoyed to the fullest extent by every one present.

Various amusements made the day complete, and the fortunate ones are deeply grateful to Mr. Chance for his splendid hospitality and for a day of very great pleasure.

**DELLWOOD PARK OPENED**

Dellwood park, Bryan's playground and amusement place, located on the Interurban, midway between the city and the A. & M. college, opened for the season last night. Mr. Firman, proprietor of the Dixie theater, is the lessee and proposes to give the people of Bryan and College nice, clean entertainment during the entire summer.

The attraction this week is the Lemley Comedy company in repertoire and vaudeville, and the opening bill was "Hooligan's Troubles." A very large crowd was present and enjoyed the performance throughout.

Manager Gammill, of the Interurban, put on a very fine car service and handled the large crowd without difficulty.

Miss Sallie Wynn returned to her home in Huntsville last night after a pleasant visit to Mrs. Tyler Haswell. J. R. Hartgraves went to Navasota this afternoon. He is just completing a two-story brick business house there and the object of his visit today was to turn the building over to the owner.

Reports from Mr. and Mrs. Sam Levy, who are visiting relatives in Germany, are that they are having a most enjoyable visit. They recently made a tour of Italy, visiting Rome and the many other cities and places of interest in that historic country.

**GEORGE ROBINSON TO MEXICO**

George Robinson, son of Mr. and Mrs. J. A. D. Robinson, of Wixon, has accepted a responsible position in Mexico and has already gone to his field of labor. He goes to Yzobel, Sonora, Mexico, to take a position with the Tigre Mining company. Charley Adams, son of the late Capt. J. J. Adams, is with the same company and recently wired his brother, Quinlan Adams, that a man was needed in the electric power department and asked if he could send an A. & M. graduate. Mr. Robinson graduated last week in the electrical engineering class, and being available, accepted the place and left at once to enter upon his duties. The A. & M. graduates are always in demand, and what is better still, they always make good.

**AT THE TENT MEETING  
LAST NIGHT**

Last night the meeting at the tent was the best that we have yet had.

Two strong men united with the church, two others confessed Christ as their Lord, and quite a number requested prayers that they might be saved. The congregation was fine and the interest was good throughout the meeting.

The evangelist preached on repentance. He showed that knowledge was the first thing needed in repentance. We need to know our fallen condition, that we are lost and that our case is hopeless, and our salvation is entirely dependent upon Christ. Again, he emphasized the fact that for a man to truly repent he must hate sin—hate it because it is wrong and because God hates it. In the third place, he must turn from it—purpose in his heart to forever forsake it. This will bring man before God so that God may be just and yet the justifier of sinners. Many striking illustrations of how and why men ought to repent were used with good effect.

The meeting is reaching out in every direction. Let all the people come, and let us have one of the greatest meetings ever held in Bryan. Meetings continue at courthouse daily at 10 a. m. and 8 p. m.
